

Autumn Term News

Over the summer the Youth Service will be undergoing changes and as a result we will no longer be able to offer after-school clubs to girls in Year 5 or below (except if they are on the PEACH Programme).

We will have full details of the new term available at the Centre and on our website in September, but if you have queries in the meantime, please come and talk to us in Room 16.

Looking for something to do this Summer?

SUMMER TERM REVIEW	2
CS CLUB NEWS	2
PEER MENTORING UPDATE	2

CS CLUB UPDATE

This term our youth volunteers – known as The CS Club – have taken on a number of new challenges. Throughout the term they have been making and selling scones to other girls as well as to parents, volunteers and staff. The money that they raised helped to pay for the coach to Commonwork Farm in June (see below). In May, they also acted as Baytree Ambassadors at a big fundraising event held at the Centre. Guests who attended the event commented on how helpful and friendly the girls were. The girls will get an AQA certificate at the end of the term in recognition of their hard work and when asked all of the girls said they have learnt a lot during the term, with Priscilla mentioning in particular that she has enjoyed 'learning new recipes and counting the money!'

Family Day Trip

This year our family trip was another visit to Commonwork Farm in Kent. A coach full of parents, girls and staff set off from Baytree on Sunday 19 June with one thought in mind - 'please don't rain!' Luckily the weather held for most of the day and everyone enjoyed taking part in a variety of activities from making butter to milking cows. Another favourite activity was pancake making (pictured). There were also lots of arts and crafts activities to take part in including book making and bag sewing. It was a great opportunity to get out of the city for a day and enjoy the sights, sounds and smells of the countryside!

Summer Term 2011: Review!

We had another successful term of *Young Leaders* with Paige & Khadijat really excelling and developing the skills needed to be great leaders.

Sewing, a new club for Summer 2011, has gone really well with girls learning how to sew by hand and machine.

Fashion Club run by

our very own Sonia Pollock, has gone from strength to strength with girls making their own skirts, cushions & dresses!

PEER MENTORING: An Update from the Youth Forum

The Youth Forum, Baytree Big Talk(ers), have been thinking a lot about what this time in the school year means for Baytree girls. A time of transition, moving up and growing up: leaving primary school to enter secondary school, leaving secondary school to begin your first stages of independence in sixth form or college. With this in mind, we have piloted a project during the Summer Term for Year 6 girls to be mentored by their peers before they enter Year 7, to help address any concerns or simply to talk with someone who has already been through the experience. For those who have already been fortunate to meet the Youth Forum Peer Mentors, spread the word on your experience. We want this to be a long-term project!

And finally...we hope that you have a lovely summer!
