

## *Girls of the Autumn Term 2009*

Each week during the Autumn term volunteers for each activity named their **Girl of the Week** – based on hardwork, attendance and achievement. At the end of the term the girl who was named most frequently became the **Girl of the Term** and was awarded a **certificate**. In addition – thanks to a generous donation from **Communitas** – we were able to give each girl a **book token** to celebrate their achievement.

**See below for a selection of the Girl's of the Term.**
