The main role is to assist the lead volunteer in the weekly sessions; to assist with pad work and to make sure the girls are safe and behaving but also having fun. No boxing experience required!

Thursdays

Spark is a youth group for girls aged 13+. Centred around personal development, Spark gives girls the opportunity to think about their future and to discover their interests and potential. Over the next two terms we will be running an employability programme for the girls, focusing on leadership and ending in a social action project run by the girls themselves.

We are looking for an enthusiastic volunteer who can help build and deliver the programme and is able to motivate and engage girls aged 13 to 18. This is an exciting and hands-on role, supporting the current Spark team in the development and delivery of the employability and social action programme, helping organise a 'women in leadership' event for the wider community as well as and developing strong and trusting relationships with the teenagers. We are looking for someone who can commit to the weekly session which runs from **5pm to 6.30pm on Thursdays**, a few hours per week to plan sessions remotely, as well as the occasional trip or event.
