REGISTRATION WEEK
2nd –5th September

*Each girl is allowed to sign up to **TWO** activities (mentoring is counted as an activity).*

Please note, for cookery and gymnastics we are prioritising girls who have not done it before.

Activities are £20 a term and for families it's £40.

Art

Painting, drawing, crafting. Come and express your creativity in this practical design class.

Boxing

Can you float like a butterfly and sting like a bee? It doesn't matter if you can't - enthusiasm is all you need to participate in this dynamic class.

Cookery

Learn to cook a variety of delicious & healthy meals from across the world that will wow your family and friends.

Fashion Design

Got a passion for fashion? Then this is the class for you. Make your creations come to life and sew something you've designed.

Gymnastics

Balance, strength, flexibility, agility, coordination, endurance and control are just some of the skills you'll develop in this energetic class.

Literacy

Improve your reading & writing skills with creative games and traditional methods designed to help you progress.

Made in Baytree

A hands on club where we use creativity to make lots of DIY home furnishing, crafts and much more.

Maths

If you are struggling with maths or just want the opportunity to solve more equations our skilled tutors are here to offer the support and encouragement you need.

Mother/Daughter Cookery

Spend quality time together, and eat delicious meals! Come learn to cook a variety of recipes that you can make at home with each other, and most importantly, have fun!

Made in Baytree (Zine)

Zine is a great opportunity for 11-14year olds to showcase their talents! Get stuck in designing, creating and publishing a online magazine for Baytree. Get creative with photography, journalism, reporting and more! A hands on club where we use creativity to make lots of DIY crafts and document them for everyone to see.

Homework Club

Need help with homework? Our volunteers are here to offer support and help you be the best student you can be. Bring your schoolwork and your questions!

Reading

Bring your favourite book along, or pick a book out at Baytree, and spend time with a volunteer improving your reading skills.

Science

Participate in fun, hands-on experiments and learn more about science along the way!

Spark

Spark empowers young women to understand and value their identity and their potential and develop skills for life and work. It includes discussions on themes relevant to girls' lives today and in the future, skills-development workshops & trips.

English Speaking Club

Balance, strength, flexibility, agility, coordination, endurance and control are just some of the skills you'll develop in this energetic class.

Urban Growth Mother & Daughter Gardening

A fun and interactive gardening program at Slade Gardens. Learn about the environment, bees, organic farming and how we can make our gardens and home flourish in urban spaces.
