Art
Painting, drawing, crafting. Come and express your creativity in this practical design class.

Cookery
Learn to cook a variety of delicious & healthy meals from across the world that will wow your family and friends.

Fashion Design
Got a passion for fashion? Then this is the class for you. Make your creations come to life and sew something you've designed.

Gymnastics
Balance, strength, flexibility, agility, coordination, endurance and control are just some of the skills you'll develop in this energetic class.

Literacy
Improve your reading & writing skills with creative games and traditional methods designed to help you progress.

Maths
If you are struggling with maths or just want the opportunity to solve more equations our skilled tutors are here to offer the support and encouragement you need.

Mother/Daughter Cookery
Spend quality time together, and eat delicious meals! Come and learn to cook a variety of recipes that you can make at home with each other, and most importantly, have fun!

Junior Spark
Much like our youth group Spark, this is a weekly group for girls in secondary school from years 7-9 where we focus on empowering young girls, helping them understand their potential & develop life skills. Each half term the girls will decide on a module that they want to work on, for example, women's history, social action or film making.

Homework Club
Need help with homework? Our volunteers are here to offer support and help you be the best student you can be. Bring your schoolwork and your questions!

Science
Participate in fun, hands-on experiments and learn more about science along the way!

Spark
Spark empowers young women to understand and value their identity and their potential and develop skills for life and work. It includes discussions on themes relevant to girls' lives today and in the future, skills-development workshops & trips.

Yoga
Join us for stretching, mindfulness & a relaxing exercise class that's designed with children in mind! Show us your best tree pose and relax.

Baking
Cakes, pastries, and sweets galore! Indulge your sweet tooth learning some more advanced cooking skills in this class for 11+

Drama
Lights, camera, action! Show us your performance skills in this creative club where you can learn improvisation, mime and much more!

Girls who Code
Ever wondered how computers work? Learn the science behind the screens in this engaging and scientific class about our devices. For girls 7+

Football
She shoots, she scores! Join us for a kick about, perfecting your game, fitness and kick ups.
